"Brandon College was the right choice to improve my English."

Françoise, Switzerland

"I really enjoyed being in your school. I was touched by all the kindness from you guys. I would love to express my sincerest thanks. I am really thinking that I want to go back to your school again (someday) if it is possible."

Seika, Japan

"Thanks to all of you, I enjoyed the English classes at Brandon College. I had a meaningful vacation. Though my stay was so short, I learned a lot and had the best experience."

Koji, Japan

"I found the English instruction excellent and the cultural experience very surprising and informative."

Anke, Germany

"It wasn't easy to come back to a normal life after 6 weeks full of great experiences. Your school is really great! Now I am so happy to understand what my English colleagues are saying when they speak to me."

Peter, Switzerland

"Brandon College has outstanding teachers. They really helped me to raise my English abilities."

Jimmy, Indonesia

"We have wonderful memories from the Brandon College team and from all the teachers. The month in San Francisco was extraordinary. It was a special change in our lives and we look forward to visiting again."

Juan and Amelia, Spain

"I really liked the friendly atmosphere at Brandon College. The Business English class was so interesting and I speak much better now because of my classes at Brandon College. I can use English with more confidence at work every day."

Bruno, Italy

"When I arrived I felt a warm hearted welcome from the staff. In the following weeks the first impression stayed alive. There wasn't one single day when the staff couldn't give me the feeling of being truly welcomed. My teachers were well organized and always knew the answers to my English questions. The teaching was very comprehensive and professional."

Maximilian, Germany
